

Parent Update: Week 10, Term 2

Dear Safety Bay families,

Firstly, I would like to thank you all for your support, and for working with us as we managed the impacts of COVID-19 and the transition to our new normal during Term 2. This has meant some changes in the way we have reported on your child's attendance, academic achievements, attitude, behaviour, and effort which we recently let you know about [here](#).

We have also rescheduled our **Parent-Teacher Interviews to 2-6pm, Tuesday 28th July**, to give you an opportunity to check in with your child's teachers. You will be able to **make your bookings from 4pm Monday 20th July, through our [Compass School Portal](#)**. If you are unfamiliar with the Compass system, we encourage you to look at our handy guide [here](#). We will also be closing early, with school finishing at the end of Period 4 (1.13pm) to enable us to commence Parent -Teacher Interviews at 2pm.

Following the recent announcement of Phase 4 by the WA Government, we are back to normal as a school. In Term 3, we will be able to continue with assemblies, excursions, sporting events, and parent meetings. I look forward to being able to take part in these larger gatherings and opportunities for both staff and students next term.

While our activities have been extended and rules have been relaxed, we need to continue to remind staff and students to maintain good hygiene practices so we remain safe and well. To that end, the provision of hand sanitiser and the extra cleaning staff on site that began in Term 2 will continue.

As a result of the effects of COVID-19, the Education Department allocated an extra School Development Day. We have planned to hold a **School Development Day (pupil free) on Friday 28th August (Week 6, Term 3)**, so please keep this in mind and plan for the supervision of your child.

We would also like to extend a friendly reminder to our **Year 10 families to make sure the Subject Selection Online process is completed by Friday 24th July, (end of Week 1, Term 3)**.

I hope you all have a safe and enjoyable school holidays, and I look forward to seeing all our wonderful students again on Tuesday 21st July to start Term 3!

Take care,

Anne Hudson-Brown

Principal

Safety Bay Senior High School
