

# TERM 2 UPDATE: Tuesday 8th June 2021

## Dear Safety Bay families,

As we near the end of a busy Term 2, we wanted to update you all on the latest COVID-19 advice regarding WA's controlled interstate border arrangements, and remind you of some key upcoming dates.

### Controlled interstate border arrangements

#### **NSW and ACT**

Anyone who has recently arrived into WA from New South Wales or the Australian Capital Territory and has been to one of the [listed exposure sites](#) during the relevant times is required to get tested and self-quarantine for 14 days and present for 48-hour and day-11 testing. Recently returned travellers from NSW and the ACT should continue to monitor the [NSW Health website](#) and the [ACT Government site](#).

#### **VICTORIA**

A [hard border with Victoria](#) is currently in place. Victoria is considered 'medium risk' under [WA's controlled interstate border arrangement](#). Travel from Victoria into WA will no longer be permitted unless the traveller is exempt. Travellers who have entered WA from Victoria between Sunday, 16 May and 10:00am Thursday, 27 May, or visited the [Victorian exposure sites](#) during relevant times, need to follow requirements outlined on the [WA.gov.au website](#).

#### **OTHER STATES AND TERRITORIES**

All other States and Territories are currently considered 'very low risk'. Travellers must complete a G2G Pass declaration prior to entry, but do not have to self-quarantine unless instructed to. It is important to note that people who have come into contact with someone who recently arrived from Victoria, NSW or ACT are not required to self-quarantine and a COVID-19 test is only required if symptoms develop.

### Upcoming Dates

- **Year 9 Lightning Carnival:** Wednesday 9 June
- **Transition to Senior School Parent Information Night (current Yr 10 families):** Wednesday 23 June 6pm
