Secondary Assistance in the form of financial subsidies is available to holders of valid Centrelink Health Care Cards, Pensioner Concession Cards or Veterans Affairs Concession Cards. This entitles the cardholder to \$235 towards Voluntary Contribution and an additional \$115 Uniform Allowance. The Education Program Allowance (\$235) is paid directly to the school and applied to Voluntary Contributions for Years 7-10. For those parents/guardians who elect to direct their Uniform Allowance (\$115) to the school, these funds will be deducted from the compulsory charges first and then voluntary contributions (Years 7-10). For eligible students in Years 11 and 12, both Education Program Allowance and Uniform Allowance will be applied directly to compulsory charges. For detailed information please refer to the links below.

Application forms are available through our Accounts Officer. Students or parents need to provide proof of eligibility and the Accounts Officer needs to witness the application form. Applications must be completed in Term 1 each school year.
